CLA-1000

SUPPLEMENT

Natural Fat-burning Support*

UNI KEY's CLA-1000 contains conjugated linoleic acid, a naturally occurring fatty acid that prompts the body to burn stored fat as energy.

Controlled scientific studies show that CLA helps:

- Provide powerful antioxidant properties
- Improve nutrient absorption
- Enhance immune function
- Lower cholesterol levels

Did you know?

Before the 1970s, Americans didn't need to worry about supplementing their diets with CLA since dairy and meat contained ample amounts naturally. Today, livestock is mainly grain fed rather than grass fed, so our natural intake of CLA has dropped by as much as 80 percent.

Usage

Adults take one (1) softgel three times daily, preferably with meals or as directed by a health care professional.

note from

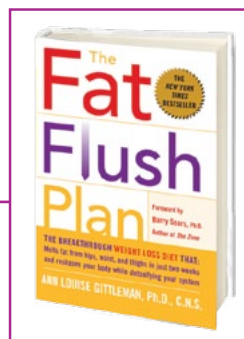

Dr. Ann Louise™

"Why is CLA such a boom to waist watchers? Study after study has shown its effectiveness in reducing body fat. *The Journal of Nutrition* published the results of the first human clinical trial using 3000 mg daily of CLA, which showed a stunning 20 percent decrease in body fat, with an average loss of 7 pounds of fat in the group taking CLA. These results were achieved without a single change in dietary

habits, establishing CLA supplementation as a simple, effortless weight loss tool."

Success Stories

"The results I get from using CLA-1000 are terrific! I needed to lose 50 pounds of unwanted "me," my body now not only looks smaller, but it FEELS smaller! My doctor is extremely pleased with my latest cholesterol testing results, they are in the range of "more normal" than ever before. I have lost 5 pounds every month for the last 8 months, and having lost 40 pounds total, I am amazed that my skin is not baggy or saggy. After losing lots of inches around my waist I'm totally wowed that the "flabby tummy" fat is tight and trim. Having just gone shopping, I am thrilled to be choosing from the racks marked "size 10!" In just 60 days I know I will be in a size 8! With renewed confidence in myself, now armed with CLA-1000 I can achieve my dream!"

"I have tried other products like Green Tea with Hoodia to lose weight. I experienced no weight loss and the caffeine made me jittery. Before taking CLA-1000 I was 230 lbs and wore size 38 pants. I was starting to get food allergies, was tired a lot, and felt uncomfortable in my tight fitting clothing. After taking CLA-1000 for 2 months; I lost 22 lbs and was able to wear size 36 pants. I had more tone, more energy and my food allergies went away. All my friends were asking me what I was doing to look so great."
