Low, not high, levels of stomach acid are an underlying cause of most digestive disorders.

HCL+2

180 CAPLETS

Control Heartburn & Soothe Digestion

UNI KEY's HCL+2 contains hydrochloric acid with pepsin and ox bile, essential for the body's digestion of protein and fat, as well as the acid-based minerals—calcium, magnesium, and iron.

Did you know?

Prolonged emotional tension and poor dietary habits lead to low levels of HCl. Signs of HCl deficiency include: osteoporosis, osteopenia, anemia, broken blood vessels on the cheeks, rosacea, and hair loss.

HCL+2 helps

- ✓ Alleviate indigestion, acid reflux, gas, belching, bloating, constipation, and diarrhea.
- ✓ Destroy harmful bacteria, *Candida albicans*, and other pathogens in the intestinal tract.
- ✓ Break down and metabolize protein and minerals, such as calcium and iron.
- ✓ Neutralize byproducts of drugs and toxins.
- ✓ Eliminate the cause of body odor, gas, bad breath, and offensive urine and stool odors.

Usage

Adults take one to two (1-2) tablets three times daily, during or immediately following a meal, or as directed by a health care professional.

Dr. Ann Louise™

“The most important question is NOT whether you are getting sufficient amounts of protein, calcium, or iron in your diet, but whether you are absorbing them. Protein, calcium, and iron are all soluble in acid—this acid is an indispensable stomach acid known as hydrochloric acid.”

Success Stories

"I was always bloated, burping, and had indigestion after every meal. I tried different ways to stop this, from smaller meals to what foods I ate, but nothing worked. After trying HCL+2 four months ago, I can now eat what I want without suffering for it later. My family sees a lot more of me now that I don't have to lie down after every meal to relieve discomfort!"

—Sandy C. Morgantown, WV

"I have been using HCL+2 everyday for the past six months with great success. After seeing the product in UNI KEY's catalog, I decided to see if it would help my poor digestion. The bloat and indigestion I used to feel after eating is now gone! This was a huge problem for me that has caused years of discomfort. I could not be happier."

—Ellen B. Martinsburg, NY

"I have been using HCL+2 for six months now and I am so happy with this product! For 44 years my stomach swelled after eating—now the bloat is gone! A friend told me about this product and I now have two of my other friends using it."

—Olivia W. Century, FL

"At age 52 I had a bloated stomach after every meal. I tried other products that did not work as well as UNI KEY's HCL+2. Since taking the product, no more bloating! Friends think I've lost weight. Great improvement and I feel better."

—Anita K. Baltimore, MD

"UNI KEY's HCL+2 has worked wonderfully for me! I have recently started a vegetarian diet which has caused a lot of stomach aches from the increase in fruit and veggies. I started taking HCL+2 two months ago; one caplet before each meal, three times a day. I noticed the difference right away, and was amazed—the stomach aches and bloating were gone! I am very pleased with this product!"

—Kelly C. Huntington, NY

"About 2 ½ years ago I had a lot of health issues, which led to the removal of my gallbladder. I was taking medication for acid reflux, which made it worse. I then tried HCL+2 because I have too little stomach acid, and it totally changed my life! I'm now able to eat properly. I can't be without this product!"

—Samantha M. Brentwood, TN

"Before trying HCL+2 I was bloated, had irregular bowel movements, was tired all the time, and felt bad. I tried other products that did not work for me. Then I purchased UNI KEY's HCL+2. I have been using it for about a month, and I can't believe it—my stomach is flat! I am having regular bowel movements, and I have more energy so I'm not tired. I am very satisfied with this product!"

—Mary L. Morse, LA

"Before taking HCL+2 I tried over-the-counter products. It was awful and I did not want to go that route again. Since taking HCL+2, it has completely relieved my acid reflux. I take at least one caplet with every meal. If I have an occasional problem I will start taking two every two hours and it handles it. I am so thankful for this product."

—Anglica G. San Antonio, TX
