

Liver-Lovin Formula

120 Capsules / 30-Day Supply

A Cleansing Boost To Kick Start Metabolism

● The liver is the grand central station of detox.

UNI KEY's Liver-Lovin Formula is the ideal multi-faceted supplement for gentle, yet powerful liver support for optimum weight loss/detox results. Chock-full of purifying chlorophyll and artichoke to aid both phase 1 and phase 2 detox pathways, Liver-Lovin Formula also aids the gallbladder with its rich taurine content. Taurine is the most deficient amino acid in the diet and helps bile to excrete chemicals detoxed by the liver.

Did you know?

The liver possesses the unique ability to regenerate itself. Although it may take up to two years, you can rebuild this vital organ with the right diet and detox plan. Liver-Lovin Formula can help keep it running smoothly and promote its detoxification—for optimum weight loss and health.

Liver-Lovin Formula's Unique Blend

- ✓ Artichoke – A well-known liver healer, loaded with antioxidants to help move toxins through the liver's detox pathways and boost bile production.
- ✓ Chlorophyll – Rich in purifying magnesium to further enhance elimination.
- ✓ Taurine – Boosts the liver's production of bile to aid in fat digestion and absorption.

Usage

Adults take two (2) capsules two times daily with meals as a dietary supplement or as directed by a healthcare professional.
