note from

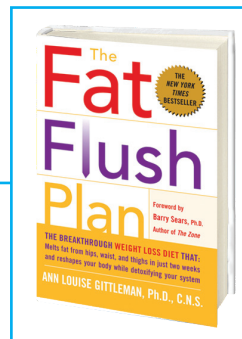

Dr. *Ann Louise*™

"Magnesium is a must-have for building bones, obtaining cardiovascular health, controlling diabetes, and coping with stress. A low magnesium to calcium ratio is a risk factor for heart disease, and intravenous magnesium can be a life-saver for arrhythmias. Most interesting of all, UCLA studies now suggest that magnesium acts as a regulator for metabolism and inflammatory pathways. Magnesium

may be the most novel way to banish belly fat yet!"

Success Stories

"Before trying UNI KEY's Magnesium I was always constipated due to medications I am taking. Since taking the product I have no more constipation, sleep better at night, and have daily bowel movements. I feel so much better!"

—Yvonne A. Ellabell, GA

"I have been taking UNI KEY's Magnesium for almost three years. It is the best! I've tried other brands of Magnesium, but they do not stand up to the high quality of this product. For many years I had gone without sleep, and now that I've found this product, I can't live without it! Sometimes I forget to order in time and try something from the local health food store, and boy am I always sorry—such inferior products!"

—Olga S. Surprise, AZ

"I tried Magnesium for the first time a few weeks ago before going to bed— I slept 10 hours straight! I have not been able to sleep like that for years! I've found this product to work like nothing I've ever tried. Thanks!"

—Linda S. Dallas, TX

"UNI KEY's Magnesium has helped me out immensely. It was recommended to me as a sleep aid, since I was having problems sleeping at night. I have been taking it for a month and now have an easy time getting a full night's sleep—and I have wonderful dreams."

—Linda R. Benicia, CA

"Before taking Magnesium I was always constipated due to pain medication I take for my back. This product has totally changed my life. I tried another brand, but it did not work as well as UNI KEY's. It has helped with irregularity, I sleep better, and I have not had a flare up with my back."

—Liz R. Dalton Gardens, ID

"When I first started taking UNI KEY's Magnesium three months ago, I noticed an immediate difference. I have more energy than I have had in years and my sleepless nights are gone. All my friends have seen a change in my energy and I am having less, if any, headaches and muscle cramps."

—Catherine C. Columbus, OH

"I used to have palpitations and needed something to help me relax. Taking Magnesium has helped with the palpitations, gives me calmness throughout the day, and helps me with stress. I'm not as nervous as I was before. I would not go a day without my Magnesium."

—Julie C. Gilmer, TX

"Before using UNI KEY's Magnesium I did not sleep well at night. I would wake up several times and end up with headaches. Since starting the product I am sleeping much better and have headaches much less. I feel so much better! I had dry flaky skin, and now my skin is moist and has a glow. I have also noticed my hair is thicker and shinier. I love this product!"

—Lashondra J. Peoria, IL
