ProgestaKey

Natural Progesterone

Balance Your Hormones Naturally

Contains lavender essential oil

Derived from wild yam

Void of petrochemicals

UNI KEY's ProgestaKey is an all-natural progesterone cream used to balance hormone levels and help prevent symptoms related to estrogen dominance.

ACCORDING TO HARVARD RESEARCH,
By age 35, the typical woman is already deficient in progesterone.

Signs of progesterone deficiency

- Do you suffer from hot flashes and night sweats?
- Are you an emotional mess?
- Are you gaining weight—especially around the tummy for no apparent reason?
- Has your sex drive diminished?
- Do you feel an overall lack of energy?

Benefits of natural progesterone

- Stimulates new bone formation and helps prevent osteoporosis
- Stabilizes zinc-copper balance
- Helps protect against breast and uterine cancer
- Enhances sex drive
- Helps burn body fat as fuel
- Promotes a sense of well-being

INGREDIENTS

Purified Water, Aloe Vera Gel, Caprylic/capric Triglycerides, Natural Progesterone USP, Evening Primrose Oil, Vitamin E Acetate, MSM (Methyl Sulfonylmethane), Iso-stearic Acid, Yarrow Extract, Cranberry Extract, Glyceryl Stearate, Shea Butter, Lecithin, Glycerine USP, Lavender Essential Oil, Vanilla Extract, Allantoin, Sorbic Acid, and Grapeseed Extract.

Usage

One full press of the pump will dispense the recommended 20 mg of natural progesterone. Apply to face, hands, chest, abdomen, inner arms or thighs.

MENSTRUATING WOMEN

Apply once or twice a day starting on the 12th day after the first day of menstrual flow through the 26th day.

PERIMENOPAUSAL WOMEN

Apply once or twice a day starting on the 7th day after the first day of menstrual flow through the 27th day.

MENOPAUSAL WOMEN

Apply once or twice a day for a maximum of 25 consecutive days. Resume after a five-day break.

Consult a health care professional before using this or any product during pregnancy or if you have a serious medical condition. Not tested on animals. Application is intended for external cosmetic use. Manufactured in the USA.

ProgestaKey

The Natural Hormone Balancer

· SUCCESS STORY ·

At age 46 I was having hot flashes, night sweats and carrying weight around the middle. Then I tried ProgestaKey. I feel calmer, the night sweats are gone... it was like a miracle to me! I have been able to lose belly fat too. It's an amazing product. I tell all my friends about it!"

—Kim G., KS

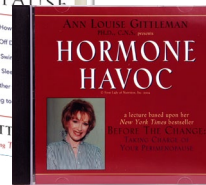

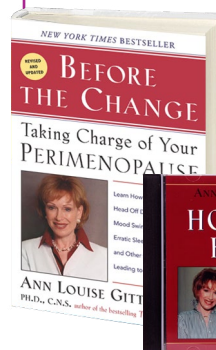

note from

Dr. *Ann Louise*™

While much attention has been given to the role of estrogen deficiency during menopause, the importance of progesterone is often overlooked. Progesterone has benefits far beyond its role in menstrual cycles and pregnancy, and lack of this essential hormone affects many of our body systems. By making sure our progesterone levels are adequate, we can avoid many of the symptoms of menopause and aging.

—Ann Louise Gittleman, PhD, CNS

Success Stories

"I'm a believer! The first month on ProgestaKey my perimenopausal symptoms improved. My cycle is regular again, I have less fuzzy thinking, and I have no headaches. I feel so much better. I feel like myself again."

—Jacki S. Shelby Township, MI

"I was troubled with mood swings, irritability, crying spells, lots of tension and all the rest of the menopausal symptoms. I decided to give ProgestaKey a try after reading about it in Dr. Ann Louise's book, 'Before the Change.' Believe me it has worked wonders! I'm feeling like my old self once again and I am able to cope with the high stress of my job much better. Thank you for this wonderful product."

—Rita W. Robinson, IL

"I started using ProgestaKey about five years ago, after reading Dr. Ann Louise's book 'Before the Change.' The product really has been a godsend. ProgestaKey has done a wonderful job at balancing out the changes in my body, helping eliminate the unbearable hot flashes and restoring energy. I'm not sure what I would have done had I not found this product."

—Nancy M. Placerville, CA

"I feel like a new woman since I started ProgestaKey a year ago. The hot flashes and headaches I was having were brutal, but ProgestaKey decreased them to nothing. Thank you for this wonderful product!"

—Carol K. Ft. Wayne, IN

"Your ProgestaKey does the job! In the five years I have used ProgestaKey it has eased my menopausal symptoms like nothing else and also helps with my insomnia. I have more confidence in natural progesterone than in prescription products. I am in control of dosage and scheduling, and there are no nasty side effects."

—Anny R. Rittman, OH

"I am 45 years old. Before trying ProgestaKey I did not sleep well due to night sweats, mood swings, and hot flashes. I also had weight gain around the middle. Since I started the product the weight gain is gone, no PMS, no bloating, no more night sweats. In fact I sleep like a brick! Life is good!"

—Klaudya W. Hermitage, TN

"Thank you for your wonderful product! I have been using ProgestaKey for about six months now, and I have been able to sleep without waking up dripping wet or suffering from hot flashes throughout the day. What a difference this product has made to improve my attitude and quality of life."

—Michelle J. Fairbanks, AK

"I have been using ProgestaKey for several months now after finding it on your website, and it has made a world of difference with my hot flashes, irritability and sleeplessness. I have tried other brands, but none have worked as well as yours."

—Marilyn M. Essington, PA
