

Time-C

100 TABLETS

Powerful Antioxidant & Immune Booster

Time-released formula targeted for a 4-6 hour period

UNI KEY's Time-C contains 1,000 mg of vitamin C buffered with magnesium and lysine for optimum acid-free absorption and utilization.

Time-C Benefits

- ✓ Boosts the immune system
- ✓ Enhances collagen
- ✓ Protects against clogged arteries
- ✓ Heals wounds and bruises

Success Story

"I use UNI KEY's Time-C to keep my body at its peak. If I feel like I am coming down with a cold, I will double my dose, and I feel much better in a couple of days. Before taking this product, I was getting sick on a regular basis. Time-C works much better than other vitamin C products!"

—Jan C. Coeur d'Alene, ID

Usage

Adults take one (1) tablet daily, or as directed by a health care professional.

† Daily value has not been established.		

Other ingredients: Microcrystalline cellulose, stearic acid, calcium silicate, methocel, and magnesium stearate.

note from
 DR. Ann Louise™

"What can't you say about vitamin C? It fuels the adrenal glands for non-stop stress control, wards off infections, helps with asthma and allergies, and is even part of integrative protocols that challenge heart disease and cancer. Oh, and as the precursor for glutathione—the body's 'toxic waste zapper'—vitamin C is truly the nutrient that does it all."

—Ann Louise Gittleman
 PhD, CNS
